

2017 Annual Industry Meeting Opening Reception

Enhanced Oil
Recovery Institute

The Wyoming Oil and Gas Conservation Commission will be hosting an opening reception for those attending the 2017 Industry Meeting. Several WOGCC Commissioners and Staff members will be attending.

The opening reception is sponsored by the Enhanced Oil Recovery Institute and will be held at the Casper Event Center, Sept. 12, 5–7 PM.

You must be registered for the Industry Meeting in order to attend. More information on both events and opportunity to register will be coming soon.
