Before the Commission

Five applications went before the Commission

Docket 226-16 and 228-16: Commission approved Ultra Petroleum's spacing requests with the stipulation that 90 days after completion of first well, Ultra must come before the Commission and report the results of the well. Passed 4-0.

Docket 740-16: Bill Barrett Corp. requested operatorship of Cirus' 159 wells in order to plug, abandon and reclaim the wells. Commission determined to order Cirus to appear at October hearing and agree to transfer of operatorship to Bill Barrett Corp. In the meantime, Cirus may designate operatorship to Bill Barrett Corp. Approved 4-0.

Docket 741-16: Bill Barrett Corp. requested operatorship of Stormcat Energy's 17 wells in order to plug, abandon and reclaim the wells. Commission determined to order Stormcat Energy to appear at October hearing and agree to transfer of operatorship to Bill Barrett Corp. In the meantime, Stormcat Energy may designate operatorship to Bill Barrett Corp. Approved 4-0.

Docket Item 670-16: Stormcat Energy and Summit asked this matter be continued to Nov. due to bankruptcy recently finalized. Approved 3-0, with Commissioner Fitzsimmons abstaining.
